**THE APPLICATION IDENTIFIED ABOVE HAS BEEN EXAMINED AND IS ALLOWED FOR ISSUANCE AS A PATENT. PROSECUTION ON THE MERITS IS CLOSED.** THIS NOTICE OF ALLOWANCE IS NOT A GRANT OF PATENT RIGHTS. THIS APPLICATION IS SUBJECT TO WITHDRAWAL FROM ISSUE AT THE INITIATIVE OF THE OFFICE OR UPON PETITION BY THE APPLICANT. SEE 37 CFR 1.313 AND MPEP 1308.

**THE ISSUE FEE AND PUBLICATION FEE (IF REQUIRED) MUST BE PAID WITHIN THREE MONTHS FROM THE MAILING DATE OF THIS NOTICE OR THIS APPLICATION SHALL BE REGARDED AS ABANDONED. THIS STATUTORY PERIOD CANNOT BE EXTENDED.** SEE 35 U.S.C. 151. THE ISSUE FEE DUE INDICATED ABOVE DOES NOT REFLECT A CREDIT FOR ANY PREVIOUSLY PAID ISSUE FEE IN THIS APPLICATION. IF AN ISSUE FEE HAS PREVIOUSLY BEEN PAID IN THIS APPLICATION (AS SHOWN ABOVE), THE RETURN OF PART B OF THIS FORM WILL BE CONSIDERED A REQUEST TO REAPPLY THE PREVIOUSLY PAID ISSUE FEE TOWARD THE ISSUE FEE NOW DUE.

## HOW TO REPLY TO THIS NOTICE:

I. Review the SMALL ENTITY status shown above.

If the SMALL ENTITY is shown as YES, verify your current SMALL ENTITY status:

A. If the status is the same, pay the TOTAL FEE(S) DUE shown above.

B. If the status above is to be removed, check box 5b on Part B - Fee(s) Transmittal and pay the PUBLICATION FEE (if required) and twice the amount of the ISSUE FEE shown above, or

If the SMALL ENTITY is shown as NO:

A. Pay TOTAL FEE(S) DUE shown above, or

B. If applicant claimed SMALL ENTITY status before, or is now claiming SMALL ENTITY status, check box 5a on Part B - Fee(s) Transmittal and pay the PUBLICATION FEE (if required) and 1/2 the ISSUE FEE shown above.

II. PART B - FEE(S) TRANSMITTAL, or its equivalent, must be completed and returned to the United States Patent and Trademark Office (USPTO) with your ISSUE FEE and PUBLICATION FEE (if required). If you are charging the fee(s) to your deposit account, section "4b" of Part B - Fee(s) Transmittal should be completed and an extra copy of the form should be submitted. If an equivalent of Part B is filed, a request to reapply a previously paid issue fee must be clearly made, and delays in processing may occur due to the difficulty in recognizing the paper as an equivalent of Part B.

III. All communications regarding this application must give the application number. Please direct all communications prior to issuance to Mail Stop ISSUE FEE unless advised to the contrary.

**IMPORTANT REMINDER:** Utility patents issuing on applications filed on or after Dec. 12, 1980 may require payment of maintenance fees. It is patentee's responsibility to ensure timely payment of maintenance fees when due.

# **PART B - FEE(S) TRANSMITTAL**

**Complete and send this form, together with applicable fee(s), to:** **Mail** **Mail Stop ISSUE FEE**

## Determination of Patent Term Adjustment under 35 U.S.C. 154 (b) (application filed on or after May 29, 2000)

The Patent Term Adjustment to date is 890 day(s). If the issue fee is paid on the date that is three months after the mailing date of this notice and the patent issues on the Tuesday before the date that is 28 weeks (six and a half months) after the mailing date of this notice, the Patent Term Adjustment will be 890 day(s).

If a Continued Prosecution Application (CPA) was filed in the above-identified application, the filing date that determines Patent Term Adjustment is the filing date of the most recent CPA.

Applicant will be able to obtain more detailed information by accessing the Patent Application Information Retrieval (PAIR) WEB site (<http://pair.uspto.gov>).

Any questions regarding the Patent Term Extension or Adjustment determination should be directed to the Office of Patent Legal Administration at (571)-272-7702. Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at 1-(888)-786-0101 or (571)-272-4200.

**EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael Taylor (Reg. No. 43,182) on 11/13/2008.

The application has been amended as follows: A replacement set of claims is presented on the next page.

**In the Claims:**

1. (Currently Amended) A method for processing a public information release authorization (PIRA) request over an intranet, the method comprising:

accessing via the intranet a PIRA form comprising a plurality of fields to be filled-in, the plurality of fields including a date field indicating when public information is to be released, a title field indicating a title of the public information, an author field indicating an author of the public information, and an abstract field indicating at least a summary of the public information;

the form further comprising a type field indicating a format of the public information, with the type field being configured as a pull-down menu for providing the following items to select from: an abstract, a draft article, a final article, a book, a video, and a World Wide Web item;

filling in the plurality of fields in the PIRA form;

submitting the PIRA form to at least one approver via e-mail with the email including a hyperlink to the PIRA form; and transmitting comments for the PIRA form by the at least one approver via e-mail.

2. (Original) A method according to Claim 1 wherein the intranet includes a plurality of users enrolled therein with each user having associated personnel information stored within the intranet, the method further comprising:

selecting a first level of approvers from among the plurality of users for reviewing the PIRA form; and

transmitting a first notification message via e-mail to the first level of approvers, the first notification message having a hyperlink to the PIRA form.

3. (Original) A method according to Claim 2 wherein the first level of approvers comprises at least one of a manager, a program manager and a technical peer reviewer.

4. (Original) A method according to Claim 2 wherein the first level of approvers is selected by the author.

5. (Original) A method according to Claim 2 further comprising creating a profile of the PIRA form in response to accessing associated personnel information of the author; and wherein at least one of the first level of approvers is selected based upon the created profile.

6. (Original) A method according to Claim 2 wherein the first level of approvers reviews the PIRA form concurrently.

7. (Original) A method according to Claim 2 further comprising:  
selecting a second level of approvers from among the plurality of users for reviewing the PIRA form; and

transmitting a second notification message via e-mail to the second level of approvers, the second notification message having a hyperlink to the PIRA form.

8. (Original) A method according to Claim 7 wherein the second level of approvers comprises at least one of a security administrator, a system administrator, a contracts administrator, a communications administrator, an export/import administrator and a legal administrator.

9. (Original) A method according to Claim 7 wherein the second level of approvers is selected by a system administrator.

10. (Original) A method according to Claim 7 wherein each of the second level of approvers reviews the PIRA form sequentially.

11. (Original) A method according to Claim 10 further comprising stopping approval of the PIRA when one of the second level of approvers rejects the PIRA form.

12. (Previously Presented) A method according to Claim 1 wherein filling in the abstract field comprises attaching an attachment to the PIRA form for providing additional information on the public information.

13. (Currently Amended) An intranet for processing a public information release authorization (PIRA) request comprising:

at least one server for providing a PIRA form comprising a plurality of fields to be filled-in, the plurality of fields including a date field indicating when public information is to be released, a title field indicating a title of the public information, an author field indicating an author of the public information, and an abstract field indicating at least a summary of the public information;

the form further comprising a type field indicating a format of the public information, with the type field being configured as a pull-down menu for providing the following items to select from: an abstract, a draft article, a final article, a book, a video, and a World Wide Web item;

a first user computer cooperating with said at least one server for  
accessing the PIRA form and filling in the plurality of data field, and  
submitting the PIRA form to at least one approver via e-mail with the email  
including a hyperlink to the PIRA form; and  
a second user computer cooperating with said at least one server for transmitting comments  
on the PIRA form by the at least one approver via e-mail.

14. (Previously Presented) An intranet according to Claim 13 wherein a plurality of users is enrolled in the intranet, with each user having associated personnel information stored within said at least one server, said first user computer further cooperating with said at least one server for performing the following:

selecting a first level of approvers from among the plurality of users for reviewing the PIRA form; and

transmitting a first notification message via e-mail to the first level of approvers, the first notification message having a hyperlink to the PIRA form.

15. (Original) An intranet according to Claim 13 wherein the first level of approvers comprises at least one of a manager, a program manager and a technical peer reviewer.

16. (Original) An intranet according to Claim 13 wherein the first level of approvers is selected by the author.

17. (Previously Presented) An intranet according to Claim 14 wherein said first user computer further cooperates with said at least one server for creating a profile of the PIRA form in response to accessing associated personnel information of the author; and wherein at least one of the first level of approvers is selected based upon the created profile.

18. (Original) An intranet according to Claim 13 wherein the first level of approvers reviews the PIRA form concurrently.

19. (Previously Presented) An intranet according to Claim 14 wherein said first user computer further cooperates with said at least one server for performing the following:

selecting a second level of approvers from among the plurality of users for reviewing the PIRA form; and

transmitting a second notification message via e-mail to the second level of approvers, the second notification message having a hyperlink to the PIRA form.

20. (Original) An intranet according to Claim 19 wherein the second level of approvers comprises at least one of a security administrator, a system administrator, a contracts administrator, a communications administrator, an export/import administrator and a legal administrator.

21. (Original) An intranet according to Claim 19 wherein the second level of approvers is selected by a system administrator.

22. (Original) An intranet according to Claim 19 wherein each of the second level of approvers reviews the PIRA form sequentially.

23. (Previously Presented) An intranet according to Claim 19 wherein said first user computer further cooperates with said at least one server for stopping approval of the PIRA when one of the second level of approvers rejects the PIRA form.

24. (Previously Presented) An intranet according to Claim 13 wherein filling in the abstract field comprises attaching an attachment to the PIRA form for providing additional information on the public information.

25. (Currently Amended) A computer-readable medium having computer-executable instructions for causing user computers coupled to at least one server and defining an intranet therewith to perform steps comprising:

accessing a public information release authorization (PIRA) form over the intranet using a first one of the user computers cooperating with the at least one server, the PIRA form comprising a plurality of fields to be filled-in, the plurality of fields including a date field indicating when public information is to be released, a title field indicating a title of the public information, an author field indicating an author of the public information, and an abstract field indicating at least a summary of the public information;

the form further comprising a type field indicating a format of the public information, with the type field being configured as a pull-down menu for providing the following items to select from: an abstract, a draft article, a final article, a book, a video, and a World Wide Web item;

filling in the plurality of fields in the PIRA form via the first one of the user computers;

submitting the PIRA form over the intranet to at least one approver via e-mail with the email including a hyperlink to the PIRA form; and

transmitting comments for the PIRA form by the at least one approver via e-mail using a second one of the user computers cooperating with the at least one server.

26. (Previously Presented) A computer-readable medium according to Claim 25 wherein the intranet includes a plurality of users enrolled therein with each user having associated personnel information stored within the intranet, the computer-readable medium further having computer-executable instructions for causing the first one of the user computers to perform the following steps:

selecting a first level of approvers from among the plurality of users for reviewing the PIRA form; and

transmitting a first notification message via e-mail to the first level of approvers, the first notification message having a hyperlink to the PIRA form.

27. (Original) A computer-readable medium according to Claim 25 wherein the first level of approvers comprises at least one of a manager, a program manager and a technical peer reviewer.

28. (Original) A computer-readable medium according to Claim 25 wherein the first level of approvers is selected by the author.

29. (Previously Presented) A computer-readable medium according to Claim 26 further having computer-executable instructions for causing the first one of the user computers to create a profile of the PIRA form in response to accessing associated personnel information of

the author; and wherein at least one of the first level of approvers is selected based upon the created profile.

30. (Original) A computer-readable medium according to Claim 25 wherein the first level of approvers reviews the PIRA form concurrently.

31. (Previously Presented) A computer-readable medium according to Claim 26 further having computer-executable instructions for causing the first one of the user computers to perform the following steps:

selecting a second level of approvers from among the plurality of users for reviewing the PIRA form; and

transmitting a second notification message via e-mail to the second level of approvers, the second notification message having a hyperlink to the PIRA form.

32. (Original) A computer-readable medium according to Claim 31 wherein the second level of approvers comprises at least one of a security administrator, a system administrator, a contracts administrator, a communications administrator, an export/import administrator and a legal administrator.

33. (Original) A computer-readable medium according to Claim 31 wherein the second level of approvers is selected by a system administrator.

34. (Original) A computer-readable medium according to Claim 31 wherein each of the second level of approvers review the PIRA form sequentially.

35. (Previously Presented) A computer-readable medium according to Claim 31 further having computer-executable instructions for causing the first one of the user computers to stop approval of the PIRA when one of the second level of approvers rejects the PIRA form.

36. (Previously Presented) A computer-readable medium according to Claim 25 wherein filling in the abstract field comprises attaching an attachment to the PIRA form for providing additional information on the public information.

37. (Original) A method according to Claim 1 wherein the PIRA form further comprises a proprietary information field indicating if the public information includes proprietary information.

Claim 38. (Cancelled).

39. (Original) An intranet according to Claim 13 wherein the PIRA form further comprises a proprietary information field indicating if the public information includes proprietary information.

Claim 40. (Cancelled).

41. (Original) A computer-readable medium according to Claim 25 wherein the PIRA form further comprises a proprietary information field indicating if the public information includes proprietary information.

Claim 42. (Cancelled).

***Reasons For Allowance***

The following is an examiner's statement of reasons for allowance: The prior art of record was not found to teach the newly amended claim limitations in the context of the applicant's claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DOUGLAS B. BLAIR whose telephone number is (571)272-3893. The examiner can normally be reached on 9:00am-5:30pm.
